FROM THE PRINCIPAL...

Kia ora e te whānau,
What another amazing week we have had here at Lynmore School! It is hard to believe we are already approaching the halfway point of our final term for 2026.

Our teachers are currently working through their end-of-year assessments, and it has been fantastic to see the growth, progress and development of our tamariki throughout the year. There is something incredibly rewarding about reflecting on where our learners started and celebrating just how far they have come. Whether it is growth in reading, writing and mathematics, increased confidence, greater independence or the development of new skills, every step forward is worth celebrating.

I want to acknowledge the hard work and commitment of our teachers, who continue to provide rich learning opportunities for our tamariki, and of course, our students themselves, who continue to demonstrate what it means to be empowered learners who thrive.

Waitawa Bush – Bringing Our Native Environment Back to Life!

Over the past few years, we have had a strategic focus on restoring our very own Waitawa Bush to its former natural beauty. This has involved a collective effort to remove invasive weeds, plant native trees and shrubs, trap pests and create an environment where our native plant and birdlife can flourish. And wow, are we starting to see the rewards of these efforts!

Yesterday, our bush was absolutely alive with birdsong. Our native plants and trees are looking lush and healthy, and perhaps one of the most exciting discoveries is that a ruru (morepork) appears to be making use of our specially constructed ruru whare! How amazing is that? These are the moments that remind us why we have invested so much time, energy and resources into restoring this special part of our school environment.

What makes Waitawa Bush even more special is that it is a living, breathing outdoor classroom for our tamariki. It provides authentic opportunities for scientific learning, where our students can observe ecosystems, investigate biodiversity, learn about native species, understand predator control and see firsthand how human actions can positively impact our environment.

Our tamariki are not just learning *about* conservation; they are actively participating in it. They are developing a sense of kaitiakitanga (guardianship), understanding their responsibility to care for our natural environment and seeing that even small actions, when combined, can make a significant difference.

A huge thank you to our staff, tamariki, whānau and everyone who has contributed to this ongoing restoration journey. We are creating something very special for our current students and for generations of Lynmore learners to come.

Property Update – A Reason to Celebrate!

We are so excited to finally have our main school entrance open again! It has certainly been a long journey, and I know our community has been incredibly patient as we have navigated the challenges associated with our old administration block project. It really does feel like we are getting closer to the finish line of this part!

The construction of the new gable wall is now underway and is expected to take approximately six weeks. We anticipate that the entire area will be fully opened up by late December, which will be a wonderful way to finish the year. We will then begin the planning phase for our new Administration block.

We are also looking forward to Whaea Shona being able to return to her classroom space before the beginning of the 2027 school year. Thank you to our entire school community for your patience, understanding and flexibility throughout this project. We cannot wait to have our school spaces fully accessible again!

School Uniform Update – A Clarification

I would like to take this opportunity to clarify some information I shared recently regarding our transition to the new Lynmore School uniform. I had mistakenly advised that we were approaching the end of our transition period. Thank you to the families who contacted me to seek clarification.

Our official uniform transition period does not end until December 2027. This means families still have the remainder of 2026 and all of 2027 to transition to our new school uniform. I sincerely apologise for any confusion my earlier communication may have caused.

I would also like to take this opportunity to thank all of our families, across every year group, who have already made the change to our new school uniform over the past 12 months. It has been wonderful seeing more and more of our tamariki proudly wearing our new Lynmore uniform. We appreciate that changing uniforms is a financial commitment for families, which is why we introduced a two-year transition period.

I would also like to remind our community that during this transition period, we expect all tamariki to attend school wearing either our old Lynmore School uniform or our new Lynmore School uniform, or a combination of both. Non-uniform clothing items are not part of our transition arrangements and are therefore not acceptable as everyday school wear. We appreciate your support in ensuring our tamariki come to school dressed appropriately and take pride in representing our kura.

Our intention is to make this transition as smooth and manageable as possible for all families while maintaining the high expectations and sense of belonging that come with wearing our school uniform. I look forward to seeing our new uniform becoming increasingly visible across our school as we move through 2027. Thank you for your continued support and cooperation.

Sports Uniforms – Looking Ahead to 2027

As part of our school uniform refresh, we will also begin phasing in our new Lynmore School sports uniforms in 2027. We are excited about having our tamariki represent Lynmore in a consistent, smart and recognizable sports uniform that reflects the pride we have in our school. **Lynmore School will provide sports tops for most of our school sports teams.** However, we will be asking whānau to purchase their child's own pair of Lynmore School shorts if they intend to participate in a team sport representing our school. We wanted to provide families with early notice of this change so that you can plan ahead for the 2027 sporting season.

We look forward to seeing our tamariki proudly representing #TEAMLYNMORE in their new sports uniforms!

Junior School Athletics – Have a Go!

Tomorrow we are looking forward to our Junior School Mini Athletics Day!

This is always such a wonderful event for our youngest learners, and I absolutely love watching the excitement, determination and enthusiasm they bring to the day.

TENNIS NEWS...

Lynmore Primary Shines at the BOP Tennis Championships!

Congratulations to our 16 Lynmore Primary School representatives who took part in the BOP Tennis Championships last Friday! It was a day that delivered every element of weather, including ferocious winds that even sent the tennis balls travelling sideways. Despite the challenging conditions, our players brought plenty of energy, enthusiasm and positive attitudes to the courts.

Doubles Competition

Our doubles players: **Patrick and Jacob** , **Max and Donovan**, **Tutepourangi and Isaac**, **Tara and Jane**, **Ruby and Zoe** brought plenty of fun and personality to the competition. Throughout the day, there was lots of friendly banter, a bit of dancing here and there, plenty of laughter, and positive communication between teammates. It was fantastic to see our players enjoying themselves while supporting one another.

Congratulations to our doubles place-getters:

1st place: Tutepourangi and Hunter
2nd place: Paddy and Jacob
3rd place: Jane and Tara

I'm proud of all our doubles players for stepping onto the court and never giving up. Well done to our courageous players who were new to tennis and played their first tennis competition.

Singles Competition

Our singles players: **Angus, Joshua, Hunter, Robbie, Hugo and Blake** put up some fierce competition against one another and players from other schools.

One word that was heard regularly throughout the day was *"deuce"*. For those unfamiliar with tennis scoring, this is when players reach a tie at 40–40 and must win two consecutive points to take the game. Some of our players battled it out in impressive matches lasting up to an hour and a half against a single opponent.

There were plenty of *"wow"* moments, along with a few shots that didn't quite go to plan. Whatever the outcome, our players demonstrated incredible sportsmanship, honesty and integrity, particularly when responsible for scoring their own games and making fair calls about whether their opponents' shots landed inside or outside the court boundaries.

Congratulations to our singles place-getters:

1st place: Robbie
2nd place: Blake
3rd place: Hugo
Plate Winner: Joshua

Our players left everything on the court, showcasing their skills, determination, fair play and, most importantly, their ability to have fun along the way. We are incredibly proud of everyone who represented Lynmore!

We are extremely grateful for our wonderful parents who helped with transportation throughout the day and supported our players from the sidelines.

Ka mau te wehi, Lynmore! What a fantastic effort from our group of tennis players.
