FROM THE PRINCIPAL...

Kia ora e te whānau,
What an awesome Week 2 we have had here at Lynmore School! It has been wonderful to see our tamariki enjoying the warmer weather, getting outside and making the most of the sunshine. There is certainly a feeling that summer is on its way!

Term 4 is always a busy and exciting time at Lynmore, with so many wonderful learning opportunities, celebrations and events ahead of us. From athletics and kapa haka to classroom learning, performances and end-of-year celebrations, there is plenty for our tamariki to look forward to as we head towards the end of another fantastic school year.

Sun Safe – Hats and Sunscreen

With the warmer weather upon us, it is a timely reminder about keeping our tamariki safe in the sun. At Lynmore School, **all tamariki are expected to wear a sunhat whenever they are outside the classroom during Terms 1 and 4.** This includes morning tea, lunchtime, physical education and other outdoor learning activities.

We have bucket hats available for purchase from our school office for **$12**, although whānau are more than welcome to purchase a suitable sunhat for their child elsewhere.

We would also like to encourage all whānau to make **applying sunscreen part of your child's morning routine before they leave for school.**

New Zealand has some of the highest levels of ultraviolet (UV) radiation in the world, and even on cloudy days our tamariki can be exposed to harmful UV rays. Applying sunscreen before school helps protect their skin from sunburn and long-term sun damage, particularly during those busy morning play and learning sessions.

Developing these simple sun-safe habits from a young age helps our tamariki learn to take responsibility for their own health and wellbeing. We encourage you to use a broad-spectrum SPF 50+ sunscreen and remind your children about the importance of reapplying it throughout the day, particularly when spending extended periods outdoors.

Thank you for helping us keep our tamariki sun safe while they enjoy all the benefits of learning and playing outside.

Whakatau – Nau Mai, Haere Mai!

On Tuesday, we had the absolute pleasure of formally welcoming **18 new five-year-old tamariki** and their whānau into our Lynmore School community through our whakatau.

These occasions are always very special as we come together to acknowledge and celebrate the beginning of a new learning journey for our youngest learners.

A whakatau is much more than a welcome. It is an opportunity to establish connections, build relationships and create a sense of belonging for our new tamariki and their whānau. We want every child who walks through our gates to feel valued, supported and excited about being part of #TEAMLYNMORE.

Nau mai, haere mai to our newest tamariki and whānau. We are delighted to have you join our Lynmore whānau and look forward to being part of your learning journey.

Property Update – Thank You for Your Patience

I wanted to provide our school community with another update on our ongoing property developments. Unfortunately, we continue to experience delays with some aspects of our property work. These delays have been frustrating, and many of the factors contributing to them are completely outside of our control.

Our immediate priority is to have the front entrance gate reopened for our school community. We are currently aiming for this to happen within the next two weeks. We know how important this access point is for our whānau, particularly during the busy morning drop-off and afternoon pick-up times.

FROM THE PRINCIPAL...

We are also expecting the construction of the **gable wall at the end of our classroom block to be completed by the end of Term 4.** This is another important step in progressing our property work and ensuring our learning spaces remain safe and functional.

At the same time, we are now in the early stages of working through the **Ministry of Education funding approval process for a new administration block.** While this is still at the beginning of the process, it is an important step towards restoring a permanent administration facility that meets the needs of our tamariki, staff and wider school community.

Property developments of this scale take time, and there are many processes and decisions that sit outside of the school's direct control. Please be assured that we continue to advocate strongly for the needs of our school and are committed to achieving the best possible outcomes for our community.

I want to sincerely thank our tamariki, staff, parents and whānau for your ongoing patience, understanding and flexibility as we navigate these property challenges. We know the disruption has not been easy, and we genuinely appreciate the way our community continues to work alongside us.

Despite the challenges happening around us, our focus remains firmly on what matters most — **providing the very best learning opportunities and experiences for our tamariki.**

Have a Wonderful Long Weekend!

As we head into Labour Weekend, I would like to wish all of our Lynmore whānau a wonderful, relaxing and safe long weekend.

Enjoy the extra time with your loved ones, make the most of the beautiful weather, and hopefully find an opportunity to recharge before another busy week ahead.

We look forward to welcoming everyone back on Tuesday, ready for another exciting week of learning, including our Lynmore Athletics events!

Ngā mihi nui,

Whaea Hinei

We're delighted to celebrate another amazing artist this week (with apologies to Gabriella for missing her news in last week's newsletter!) Gabriella from I6 took out a winning spot in the Rotorua Lakes Council drawing contest to help launch FOGO, the city's new Food Organics and Garden Organics collection service. Her creative artwork is one of just eight chosen designs currently displayed as a full wrap across the council's FOGO trucks.

At an assembly last term, Council representative Megan praised everyone who took part, celebrating Lynmore's standout effort of two overall winners and two highly commended entries. Over the school break, Gabriella had the chance to pose for a photo right alongside her custom truck - check out the amazing photo! *Have you spotted Gabriella's truck out hard at work around Rotorua?*

A BIG Lynmore School "shout out" to Karl Hereford for your ongoing generosity to our school - another $500.00 into our school account last week, from a house sale!

Join our "Friends of the School (FOTS)" Volunteer List...

We are building a list of whānau who are happy to be called upon to help out with fundraising events throughout the year.

Joining doesn't mean committing to regular meetings or long-term jobs. Instead, whenever a fundraising effort comes up (like a sausage sizzle, bake sale, or event support), we'll send a quick email to the group outlining what support is needed. If you're available to lend a hand for that specific event, fantastic! If you're busy, no worries at all—there's zero pressure.
