School Attendance at Kelvin Road School

If a student misses one day of school every two weeks, they miss a whole year of school by 16 years of age. As a parent or caregiver, you, alongside our school, play a key role in building strong habits of regular school attendance. All students are legally required to attend school every day and it is a shared responsibility to make sure students attend and engage in learning from when they first start school. As we enter 2025, every day of school matters. You must let the school know if your child is going to be absent for a day or intends to be absent for a portion of the school term for whatever reason, like a tangi or medical procedure. Family holidays or taking time off for extracurricular activities (not organised by school) are not acceptable reasons for being absent.

If you're struggling at home with getting your child to school, talk to us! Kelvin Road School is committed to supporting your child to attend school and building a culture that fosters excellent attendance by having:

- School staff who have strong relationships with students and whānau.
- A school culture that recognises your child and your family for who they are, where they come from and who they want to be.
- A school community that does everything to make sure students are at school, and they are participating, and progressing in their education.

Parents and caregivers we want to help you get your tamariki to school every day. We can support by;

PROBLEMS	SOLUTIONS
Uniform dirty/wet	Send your child to school in mufti and we can provide a uniform for the day which they return before they go home.
No lunch	Kelvin Road School is now part of the Ka Ora Ka Ako Healthy lunch scheme. Lunches are provided for every child, every day.
No breakfast	We are lucky enough to have volunteers who run a Breakfast Club five days a week from 8:00 am - 8:30 am. Everyone is welcome to come along.
Raining	The school provides raincoats through Kidscan to help keep children dry on the way to school. Another way to help is to put your child's uniform in a plastic bag in their school bag and when they get to school they can dry off and change back into their uniform.
No one home in time to pick up child from school	ChillOut provides an after school care programme. They also offer WINZ subsidies. Their contact details are 09 298 6852 or book at www.chilloutkids.co.nz

If you have any questions regarding your child's attendance please do not hesitate to talk to your child's teacher. You can contact us at 09 298 8417 or email the school secretary on secretary@krs.ac.nz or email your child's teacher directly on the list provided.

Reminder: Lateness

Parents and caregivers, please ensure that your child/children arrive on time in the correct school uniform. We want every child to be well prepared each day for their learning.

Thank you to our whānau who ensure that our tamariki are at school before the 8.30 am bell.

This is an advantage for your child, as then they don't miss out on any instruction from their teacher/kaiako for the start of the day.

Reminder No chewing gum or lollies are allowed at school!

Concerns and Complaints

This policy provides staff members, parents/caregivers, and the wider school community with clear guidelines for raising and resolving concerns and complaints.

We encourage open communication and prefer that you come to us to talk through any issues rather than discussing them in the community.

We have procedures in place to ensure that complaints and concerns are handled appropriately. Our procedures enable us to:

- maintain a safe environment for our students and staff
- treat all people fairly, transparently, and with dignity and respect
- resolve matters of concern early, if possible
- respond to feedback and concerns constructively
- deal with complaints fairly, effectively, and in a timely manner
- take into account individual circumstances
- maintain confidentiality
- preserve and enhance school and community relationships
- monitor and record complaints and concerns about student safety and wellbeing.

Most concerns can be resolved informally through discussions with the people concerned. See Guidelines for Raising Concerns. The school also has a procedure for making a formal complaint if informal discussion doesn't resolve the issue. We will be able to manage your concerns and complaints more effectively if you raise them with us promptly.

Reverse Evacuation/Lockdown

In certain situations it may be necessary to move, or keep, all students inside. These situations include severe storms, a major accident in the school vicinity, or other dangerous situation. The school has a detailed plan for this event, and regularly practises it with students and staff.

As appropriate to the situation, the school contacts parents and caregivers when it can (in some situations this may be after the lockdown has finished), using the available communication options. Parents must follow any instructions issued by the school, including not coming to the school to see or collect their children. This will be required if the school is in lockdown under police instruction.

Our Facebook page is "Kelvin Road Official", and our website is www.krs.ac.nz You will find school notices and updates on here, alongside our school app that you can download "Skool Loop"

Swimming

Please ensure your child has their togs in their bags everyday.

Swimming is part of the school curriculum therefore the only time children should not be swimming is for medical reasons.

Please make sure **ALL** of your child's clothing items are clearly named and send a large plastic bag for them to store their clothes while they swim.

See your child's teacher for specific details of what days/times they are in the pool.
