Dear parents/ caregivers

As part of Knighton Normal School's (KNS) programmes, and building on the success of the last two KNS Learning Community Hubs, our school is excited to offer the **2026 Learning Community Hub (LCH)**.

For parents who are new to New Zealand and KNS, the purpose of the LCH is to strengthen the connection with parents/families from diverse cultural backgrounds and to answer your questions about New Zealand Education, teaching and learning at KNS.

The programme will be on in term 2 starting from April 24th and will include a **minimum of 10 sessions** where we will have informal discussions about topics that matter to parents and children at KNS. Each session will run for **approximately two hours**, from **9:00 to 10:50am on Fridays**. **Light refreshments** will also be provided.

Translators/Interpreters will be available for a range of languages and cultures.

We are looking forward to welcoming you!

Kind regards,

Diane Cooper
