## WEEK 10

### **PRODUCTION**

What a phenomenal success our school production was! The students did an absolutely amazing job and we couldn't be prouder of their hard work and incredible talent.

A massive thank you to our entire school community for your support with props and costumes, for coming along to the performances, and for helping our students prepare.

A very special thank you must also go to our dedicated teachers for their tireless effort in helping the students learn their lines and perfect their choreography. A huge shout-out to Jane Coles for her outstanding leadership in bringing this production to life!

If you provided any costume items or props, please ensure these are picked up and taken home today.

### **AG DAY**

Looking ahead, we're excited for another busy term. First up after the holidays is Ag Day on Thursday, October 9th. We hope that all lambs and calves are being well looked after and some strong bonds are being created ready in time to impress the judges!

As in previous years, Ag Day will start at 10am. More information about the days schedule will be sent out in the first few days of Term 4.

We wish you all a wonderful and restful school holiday break. Enjoy the time with your whānau and we look forward to seeing you all refreshed and ready for Term 4!
