## Bird box Competition 2025

---

It's time to roll up your sleeves and build the perfect little home... for a bird!

### What is a bird box?

A bird box is a safe space for birds to nest. For this competition, it can be practical or purely decorative — just make it creative and fun!

Think:

- Painted and personalised
- Made from recycled or natural materials
- Hanging, mounted, or freestanding

### Who can enter?

Any Ōropi School student can take part.

### When & how?

- Calf Club Day is Friday 10 October
- Build your birdhouse over the school holidays
- Register online before the event
- Bring your birdhouse to school by 10am for judging
- Make sure it's labeled with your entry number

### What can you use?

- Wood, tin, clay, recycled containers – anything sturdy
- Paint, decorations, and natural touches welcome!
- No electricity, glass, or sharp edges
- Must be safe, stable, and ready to display

### After the event:

You can take your birdhouse home or donate it to be placed around the school grounds or garden area.
