Welcome

Welcome back to another busy term.

Our cluster Matariki celebration will be hosted by Mōkau School, Enviroschools will take place at Ahititi School and we have the House of Science kits "Who Dunnit" and "What's the Buzz" in classrooms this term. Cluster athletics has been postponed until later in the year. Written progress reports will be coming home later in the term.

Our thoughts are with our school whanau and community who have again been severely impacted by recent weather. It has been particularly tough for some of our farmers who have only recently recovered from the October weather, only to be hit hard again.

Certificates

Alestra	<i>For showing excellent self-correction in spelling by noticing mistakes and using phoneme fingers to fix them. Ka pai, Alestra!</i>

Winter Coughs and Colds

If your child is feeling unwell, please keep them home and let the school know.

Now with the change of the seasons, could we please have a change of clothes in bags just in case of slipping over on wet muddy grounds.

What's happening in Term 2:

June

- 1st Kings Birthday holiday
- 4th Enviroschools day at Ahititi School
- 15th Board Meeting
- 25th Cluster Matariki celebration

Cluster Matariki Celebration

On Thursday the 25th of June we will be hosting our cluster for Matariki. Please contact the office if you are able to help organise or help us host our other schools.

Who Dunnit Science

Our current science box explores forensic science. There are many exciting hands-on activities and lots of engaging learning. Our learners have to refine their investigation techniques in order to be able to solve a mystery.
