# Montessori Newsletter

## September

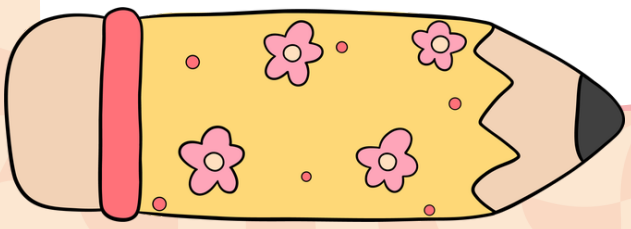
Dear Parents,
Welcome to a new school year! This month, our focus is on helping the children feel happy, secure and confident in their Montessori environment.
We will be establishing our classroom routines and introducing Grace and Courtesy, care of self, care of the environment and simple Practical Life experiences. Children will be supported in learning how to choose their work, use materials carefully and return them to their proper place.

Most importantly, we will give each child the time they need to settle, explore and become part of our classroom community.

Warm wishes,
Miss Judy & Miss Tania

## Montessori at Home

Encourage your child to carry their own belongings and put away their toys after using them.

## Coming Soon


Roald Dahl Day - Sunday, 13th September
